

Conifere

Tűlevelűek

În pepiniera noastră găsiți cele mai diverse conifere de vanzare. De la cele pitice, globuloase sau acoperitoare de sol, până la cele mai înalte specii, care înfrumusețază grădina pe toată perioada anului!

Faislolanckban megtalálja a legkülönbözőbb eladó tűlevelűeket. A törpe, gömbölyű vagy talajtakarótól kezdve a legmagasabb fajokig, amelyek egész évben szépítik a kertet!
